Your local champions, working hard all year round

The Lib Dems are the official opposition party here in Haringey, and for over 20 years elections have been between only the Liberal Democrats and Labour in your area. Haringey Lib Dem councillors work hard all year round to improve our borough, hold the Labour council to account, and to **represent you**.

May's local elections are incredibly important. For well over a year Keir Starmer's government have been letting the country down with the choices they're making.

Meanwhile, Labour-run Haringey Council has been **England's most complained about council for two years in a row** and has fallen into millions of pounds of debt.

Labour are letting people down.

Since the last local elections, Stroud Green has been represented by Labour, and its time for change. Lib Dem councillors are always local champions for their area, responding to issues, helping residents, getting real change in the area, and representing **you**.

Send Labour a message AND get hard-working Lib Dem councillors back in Stroud Green.

By voting Liberal Democrats.

A record of action, and a promise of more

It's Lib Dem or Labour here in Stroud Green!

You can vote for change at Haringey Council in 2026, but only with the Lib Dems

1 **Labour** has run Haringey for over 50 years. They are letting people down nationally and locally. Residents are crying out for change.

2 **Lib Dem** councillors have always been strong local champions. They have a record of action with a promise of more.

3 The **Green Party**, **Conservatives** and **Reform** cannot win here. The Green Party and Tories finished a distant 3rd and 4th at the last local elections, and Reform trailed even further behind at the 2024 General Election. A vote for any of them here locally is just a vote for four more years of Labour.

People know that the Liberal Democrats are the **ONLY** party that can beat Labour locally.
